

MEETINGS & CONFERENCES

Connect. Inspire. Achieve.

Where business meets beautiful surroundings

Why Choose Us?

Professional meetings with a Malvern view

Set in the heart of Malvern, the Mount Pleasant Hotel combines heritage, character and beautiful surroundings to create a distinctive setting for meetings, networking, conferences, training days, team away days and residential stays.

Central Location:

Conveniently located in the heart of Great Malvern, with Great Malvern Railway station just a **12 minute walk away**.

A Venue That Works Around You:

Flexible meeting spaces, adaptable room layouts and a team that can tailor your event to suit your requirements.

Two onsite restaurants:

Enjoy two cuisines from our two onsite restaurants, with British classics from the Mulberry Tree restaurant to authentic Indian cuisine from the Lantern Indian kitchen.

Flexible packages:

Choose from 1 of our corporate packages designed to suit different requirements and needs. We also offer room only options.

On-site accommodation:

Keep your team together with comfortable overnight accommodation, ideal for residential conferences and team stays.

Flexible Setup Options

Flexible spaces, arranged around the way you work.

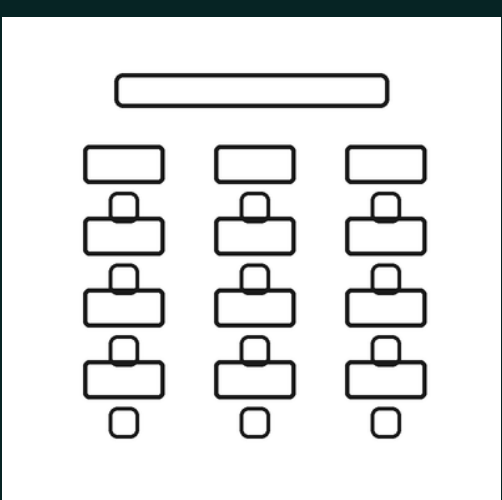

Boardroom Layout:

A central table with delegates seated around it, ideal for executive meetings, interviews, and focused discussions.

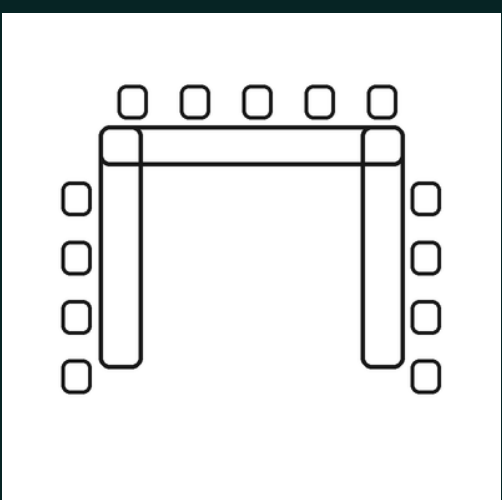

Theatre layout:

Rows of forward-facing chairs maximise audience capacity, perfect for presentations, talks, and large briefings.

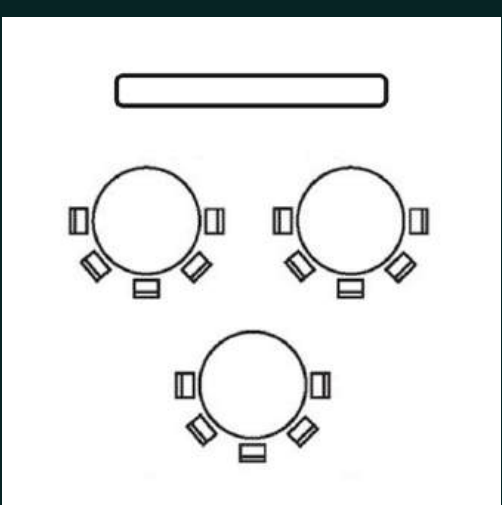

Classroom style layout:

Tables arranged in rows facing the front, providing delegates with workspace for training sessions and workshops.

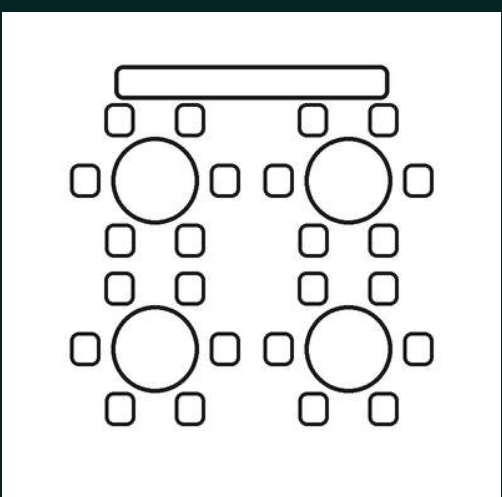

U Shaped layout:

Tables form a U-shape, allowing presenters to engage directly with participants while maintaining an open central space.

Cabaret style layout:

Round tables with open seating on one side create a sociable, interactive setup ideal for workshops and catered events.

Banquet style layout:

Circular tables arranged throughout the room offer an elegant setting for dinners, celebrations, and formal functions.
